

ELITE Steel Siding finishes

Every finish offered on ELITE 6" steel plank, soffit, fascia, and matching trim: four woodgrain prints and sixty architectural colors in Kynar 500 PVDF. Hex values are printed for reference only — order a physical chip set for final color selection.

Woodgrain prints

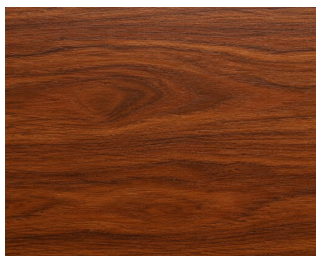

Four woodgrains

A multi-layer print over a deep cedar emboss, so grain varies plank to plank.

Dark Walnut

Woodgrain print

Chestnut

Woodgrain print

White Oak

Woodgrain print

Driftwood Gray

Woodgrain print

Color collection

Signature Series (35)

The core architectural palette in standard Kynar 500 PVDF, matched across plank and trim.

Color collection

Ultra Low Gloss (7)

A matte, near-flat sheen that softens reflection on large elevations and reads as painted board.

					
ULG Deep Black #101214	ULG Carbon #1D1F22	ULG Charcoal Gray #52565A	ULG Slate Gray #7A7772	ULG Iron Ore #564B3E	ULG Burnished Slate #43382C
					
ULG Dark Bronze #483D37					

Premium and metallic

Metallic finishes (5)

Mica and metallic pigments shift with the light; printed color cannot show the effect.
